

# SAM SALAMEH

## SENIOR NETWORK & SECURITY ENGINEER

Beirut, Lebanon • +961 70 841 009 • sam.dev1@hotmail.com • linkedin.com/in/sam-salameh

### EXECUTIVE SUMMARY

Accomplished Senior Network & Security Engineer with over 15 years of progressive experience designing, implementing, and optimizing high-availability enterprise networks across multi-vendor environments (Cisco, MikroTik, Fortinet, Ubiquiti). Proven track record of enhancing network reliability to 99.99% uptime, executing Zero Trust security architectures, and managing large-scale fiber optic infrastructure.

### TECHNICAL SKILLS MATRIX

**Network Engineering:** Cisco IOS, MikroTik RouterOS, Ubiquiti UniFi, Fortinet Firewalls, BGP, OSPF, EIGRP, VLANs, VPNs, IPsec, TLS 1.3  
**Security & Governance:** Firewall Administration, Intrusion Detection/Prevention, Zero Trust Architecture, Vulnerability Management, Risk Mitigation  
**Infrastructure & Hardware:** Fiber Optic Terminations, Wireless Access Points, High-Capacity Switches, Core Routers, Network Automation (Python, Ansible)

### PROFESSIONAL EXPERIENCE

- Senior Network Engineer — *Freelance / Enterprise Consulting* (Beirut, Lebanon)

2023 – Present

  - Architected and deployed robust network infrastructure for over 20 enterprise clients and ISPs with 99.99% uptime.
  - Configured multi-site IPsec VPN tunnels and next-generation Fortinet firewall policies ensuring zero unauthorized breaches.
  - Automated routine network monitoring and alert logging using Python scripts, reducing incident response time by 40%.
- Network Management Consultant — *Technical Infrastructure Lead* (Beirut, Lebanon)

2021 – 2023

  - Led routing and switching upgrades across BGP and OSPF protocols for high-traffic ISP backbones.
  - Spearheaded security audits, identifying critical vulnerabilities and enforcing strict access control lists.
- Networking Technician — *Professional Network Solutions* (Beirut, Lebanon)

2010 – 2023

  - Executed fiber optic cable installations, splicing, and OTDR testing across corporate offices.
  - Installed and maintained Ubiquiti Wi-Fi networks, Cisco switches, and MikroTik routers.

### EDUCATION & CERTIFICATIONS

**B3 Diploma in Information Technology** — Dekwene Technical School (2016)  
**Certifications:** Cisco CCNA / CCNP Enterprise Routing & Switching, MikroTik MTCNA, Fortinet NSE4
